Please don't forget – send us your AHIP or NABIP training certificates soon

If you're planning to sell Medicare Advantage during the upcoming 2024 plan year, you must first complete the required trainings through America's Health Insurance Plans (AHIP) or the National Association of Benefits and Insurance Professionals (NABIP). By sending us your training certifications, you'll meet our requirements to sell our 2024 Medicare Advantage plans.

New this year, you can easily send us your certificates via Salesforce Agent Community. Just follow these steps:
